

2022-2023 Federal Verification Worksheet

Your Application was selected by the U.S. Department of Education for a review in a process called “verification”. In this process we are required by federal law (34 CFR, Part 668) to compare the information from your application with the information provided on this form and on your 2020 federal tax forms (and your spouse’s if you are married, or parents’ if you are considered dependent for federal aid purposes).

We cannot process your financial aid until verification has been completed, so please provide the required documents as soon as possible. What you need to do:

- If you (and your spouse if you are married, or parent(s) if you are considered dependent for federal aid purposes) used the IRS Tax Retrieval process when completing your FAFSA and did not make any changes to that information, a 2020 tax transcript is not necessary.**
- If you (and your spouse if you are married, or parent(s) if you are considered dependent for federal aid purposes) did not use the IRS Tax Retrieval process or you made changes after the IRS Retrieval, contact the IRS at www.irs.gov or call 1-800-908-9946 to obtain a 2020 tax transcript (this may take up to three weeks to obtain).
- Submit this completed worksheet, tax transcripts (if applicable), W-2s, and any other documents to the Financial Aid Office.**
- If you (or your spouse if you are married, or parent(s) if you are considered dependent for federal aid purposes) did not file or are not required to file an IRS 1040, you (or your spouse if you are married, or parent(s) if you are considered dependent for federal aid purposes) must affirm that you are not required to file an IRS 1040 and include a copy of 2020 W-2 forms from all employers.
